Miss Isabel N. Miles,
42 West 120th St.,
New York City

Dear Madam:

We have just received a letter from Mr. Winthrop Pond, stating you have a Pine Tree Shilling which you desire to sell. There are a great many varieties of these shillings and the price is governed both by the variety and the condition. We have a number, but we are always looking for varieties we do not have. If you care to bring your specimen around some time, we would be pleased to look at it. It would be well to call up the writer before coming up.

Very truly yours,

Curator
